

ULI PITTSBURGH

FAQs for ULI Groups Planning a Tour/City Visit to Pittsburgh, PA

ULI Pittsburgh has organized this document to offer insights into planning a tour from a visiting District Council of ULI - the Urban Land Institute to Pittsburgh, PA.

Can groups organize a trip to Pittsburgh from another ULI District Council? Absolutely, please reach out to get started with dates, group size and basic interests so that we are aware of your visit and able to connect you thoughtfully. We've appointed a City Visit Ambassador who is knowledgeable about exciting projects in Pittsburgh (see resources).

Will ULI Pittsburgh plan our trip? We are happy to help offer insights, suggest projects that align with interests, and connect with local members, however, we are not staffed to coordinate your trip itinerary, speakers or logistics. Pittsburgh is filled with wonderful "places" to explore, many have been celebrated at our Annual Placemaking Awards for Excellence over the last six years and can be referenced on our [local website](#).
